

ARE YOU GAME ENOUGH TO TAKE ON THE MIGHTY INSOMNIA IN AN EPIC BATTLE?

Dear Students

Introducing CPF Board's newly launched digital escape game – designed to take you on a thrilling adventure that promises to engage, educate and challenge your mind.

Enter the Kingdom of Darkness and meet Lord Evernight, the Ruler of Dreams, and help him put an end to the chaos caused by his mischievous twin, Insomnia.

Insomnia has stolen his Awakening Ring and unleashed a game of emotions in the Sleep Chambers, trapping all Sleepwalkers in terrifying dreams. Capture Insomnia to rouse the tormented Sleepwalkers from their deep slumber and pick up some handy CPF knowledge & financial literacy concepts along the way.

Psst...there are prizes to be won if you ace the game!

Here are the game details – **Available Dates & Timeslots**
What's required?

Visit cpf.gov.sg/catchinginsomnia or scan the QR code in the poster above for more info.

- Form a team of 4-8 players.
- You will need a laptop or desktop computer, ideally with the latest version of web browser installed, and good internet connection to play this game. More details will be sent after your registration is confirmed.
- Bring your wits with you as you battle Insomnia!

We look forward to seeing you in the Kingdom of Darkness

LEARNING ABOUT FINANCE HAS NEVER LOOKED THIS GOOD.
