

Ms Serene Cheong

My educational philosophy is that every child wants to learn and can learn. I carry this belief into my teaching, nurturing every student in the classroom regardless of their background or experiences. I hope to bring the world into the classroom, so that they may broaden their horizons and see the world beyond themselves.

HOD B&E

**Anchorvale
Campus**

**York Hill
Campus**

**Teaching Subjects: Business Studies,
Elements of Business Skills**

Learners for Life. Leaders of Integrity. Contributors with Compassion.
