

Mr Lin Zhengchang

教育本是老师和学生相依为命。教学路上，师生一起面对生活、改变生命、创造人生，同时也完成自己。

Education comes alive when teacher and student lean on each other and learn with shared purpose. It is a journey in which they face reality, reshape destinies, create meaning in lives, and grow into their fullest selves together. Language is a window to new worlds. To educate is to awaken wonder. I love to see students discover the beauty of culture and the power of words. I hope to catalyse thinking, broaden perspectives, and nurture hearts that reach beyond themselves.
