

Ms Nasuha Rahmat

I believe that all students can learn and grow when provided with the right guidance, care, and opportunities. I strive to create a safe, supportive, and inclusive learning environment where students feel empowered, valued and understood. I see my role not only as a facilitator of learning, but also as a mentor who nurtures students' well-being, character, and confidence. By balancing expectations with empathy and encouragement, I aim to develop resilient, reflective, and compassionate learners who are equipped to thrive both in school and in life.
